The Principal,

APPLICATION TO BE A TEACHER IN ACHIEVER'S SCHOOL

My name is Jim Blessed. Currently, I am a student at Woculus State University pursuing a degree in elementary education.

After working at a camp for primary students this summer, I'm eager to begin my teaching career in the fall.

I also did an internship program at your school, Achiever's Academy. During my internship, I developed numerous lesson ideas that I am excited to use in my classroom.

I know that I will be an excellent match for your second-grade vacancy. I hope you'll consider me.

There is nothing more rewarding than teaching pupils at a place that started my passion for learning.

I will be hoping to receive positive feedback from you.

Thank you so much for considering my request.

Johnson Johnson.
