18 June 2022

To The Director of Finance,

My name is Fred Wolf and I am writing this letter to kindly ask that you waive the interest on my loan.

As you can tell, I am struggling to make repayments on my loan and am now incurring a substantial amount of interest further increasing my inability to pay this loan.

I kindly ask that you consider freeing the interest for the next 8 months to enable me to make payments and reduce the balance to a manageable amount.

I am currently experiencing financial constraints as I am disabled and currently living off disability allowance until I can find a job.

Thank you for your consideration.

Sincerely,  
Fred Wolf.
