To Whom It May Concern,

My name is Jim Orobosa and I have a loan payment plan currently ongoing in your company. I'm writing this letter to formally request to have my \$75 monthly auto loan payment frozen for the next four months from August to November.

I'm currently experiencing financial constraints as a result of my health. As a result, I will be unable to work to keep up with payments.

I have met my loan obligations religiously for the last 8 months and I have every intention of completing them.

As a verification, I have included my medical reports and the doctor's note. If you have any questions, please reach out to me.

Thank you for your time.

Sincerely,  
Jim Blessed.
